THIS ENDORSEMENT CHANGES THE POLICY. PLEASE READ IT CAREFULLY.

NUCLEAR LIABILITY EXCLUSION

A. This insurance does not apply to "damages" or "claims expenses" for "claims" or "suits" arising out of the failure to discover or disclose the presence or existence of a "nuclear facility", "nuclear material", "spent fuel" or "waste".

THE PROPERTY OF THE PROPERTY OF THE PARTY OF

- B. As used in this endorsement:
 - "Nuclear material" means "source material", "special nuclear material" or "by-product material".
 - "Source material", "special nuclear material", and "by-product material" have the meanings given them in the Atomic Energy Act of 1954 or in any law amendatory thereof.
 - "Spent fuel" means any fuel element or fuel component, solid or liquid, which has been used or exposed to radiation in a "nuclear reactor".
 - "Waste" means any waste material (1) containing "by-product material" other than the tailings or wastes produced by the extraction or concentration of uranium or thorium from any ore processed primarily for its "source material" content, and (2) resulting from the operation by any person or organization of any "nuclear facility" included under the first two paragraphs of the definition of "nuclear facility".

"Nuclear facility" means:

- 1. Any "nuclear reactor"; or
- Any equipment or device designed or used for the (a) separating the isotopes of uranium or plutonium, (b) processing or utilizing "spent fuel," or (c) handling, processing or packaging "waste"; or
- 3. Any equipment or device used for the processing, fabricating or alloying of "special nuclear material" if at any time the total amount of such material in the custody of the insured at the premises where such equipment or device is located consists of or contains more than 25 grams of plutonium or uranium 233 or any combination thereof, or more than 250 grams of 235; or
- 4. Any structure, basin, excavation, premises or place prepared or used for the storage or disposal of "waste", and includes the site on which any of the foregoing is located, all operations conducted on such site and all premises used for such operations.

"Nuclear reactor" means any apparatus designed or used to sustain nuclear fission in a self-supporting chain reaction or to contain a critical mass of fissionable material,

ALL OTHER TERMS AND CONDITIONS REMAIN UNCHANGED.

NEW YORK APPLICATION AND DECLARATION PAGE ADDENDUM CLAIMS-MADE DISCLOSURE FORM

IMPORTANT NOTICE TO APPLICANT OR POLICYHOLDER

THIS DISCLOSURE FORM IS NOT THE POLICY. THIS FORM DESCRIBES SOME OF THE MAJOR FEATURES OF OUR **CLAIMS-MADE** LAWYERS PROFESSIONAL LIABILITY COVERAGE FORM. READ THE COVERAGE FORM CAREFULLY TO DETERMINE DUTIES, RIGHTS, AND WHAT IS AND IS NOT COVERED. THE PROVISIONS OF THE COVERAGE FORM DETERMINE THE SCOPE OF INSURANCE PROTECTION.

WORDS AND PHRASES IN QUOTATION MARKS HAVE SPECIAL MEANINGS AND ARE DEFINED IN THE COVERAGE FORM.

- A. The policy provides a specific type of liability insurance protecting the policyholder under certain circumstances. Please review the coverage form carefully with your agent or broker to see that it meets your needs and to thoroughly understand its exclusions, exceptions and limitations.
- B. The Lawyers Professional Liability Coverage Form is a Claims-Made form. No coverage is provided for any "claim" which was made prior to the inception date of the policy or for any circumstances occurring before the inception date of the policy which any insured knew about or could reasonably foresee would result in a "claim". If the policy includes a Retroactive Date in the Declarations or a Prior Acts Limitation endorsement, no coverage is provided for any errors, omissions, or negligent acts which occurred prior to the Retroactive Date. The policy applies only to any "claim" which is the result of an error, omission or negligent act in the rendering of or failure to render "professional legal services" for others by you or on your behalf during the "policy period". The "claim" must be first made against an insured during the "policy period" or any applicable Extended Reporting Period. All "claims" must be reported to us as soon as practicable and within the "policy period", any subsequent renewal or applicable Extended Reporting Period. All coverage provided by the policy will cease upon termination of the policy unless and to the extent an Extended Reporting Period applies.
- If the policy is nonrenewed or terminated or if the Basic or Supplemental Extended Reporting Period

- has expired, you may have a gap in coverage. Your new insurance carrier may or may not provide coverage on the same basis as this policy or may change the Retroactive Date. It is important for you to review SECTION IX CONDITIONS A, Extended Reporting Periods, in the Coverage Form for the availability of and requirements for the following options:
 - Our Coverage Form automatically provides a 60 days Basic Extended Reporting Period at no additional cost for reporting "claims" resulting from errors, omissions or negligent acts in the rendering or failure to render "professional legal services" by the insured or on the insured's behalf during the "policy period".
- 2. The first "Named Insured" may purchase for an additional premium of 190% of the premium stated in Item 6 of the Declarations Page a Supplemental Extended Reporting Period of thirty-six (36) months for reporting "claims" from errors, omissions or negligent acts in the rendering or failing to render "professional legal services" during the "policy period". This Supplemental Extended Reporting Period is inclusive of the Basic Extended Reporting Period.
- D. During the first several years of a claims-made relationship, claims-made rates are comparatively lower than occurrence rates, and you can expect substantial annual premium increases, independent of overall rate-level increases, until the claims-made relationship reaches maturity.
